## CLUB POLICIES

### **Player Conduct:**

Players are expected to act in a sportsman-like manner and set a proper example during all Club activities, including practices, travel, tournaments, and any activity on or off the court in which the Club chooses to participate.

A player NEVER talks negatively and displays disrespect to himself, his teammates, coaches, opponents, referees or tournament officials.

A team's success depends upon each player's attitude as well as his skills. Team unity should take precedence over individual needs and can only be created with commitment by each player. An attitude that is not conducive to team unity will not be tolerated. Continuous insubordination on the part of a player can lead to discipline, suspension or ultimately, expulsion from the Club.

### **Parent Conduct:**

Please remember to cheer positively for your son's team. Negative comments, parent sideline coaching or even overly enthusiastic encouragement of your son can be disruptive to the team effort and will not be tolerated. Lack of cooperation with coaches and other staff will result in the dismissal of the parent from the current or future competitions.

### **Playing Time:**

Playing time is a concern that arises nearly every season. It is important that a player trust his coach. Coaches are very cognizant of playing time and want each player to have the opportunity to play successfully. If a player works hard and demonstrates in practice the ability to perform the skills necessary to play the game, he will be given the opportunity to play. When given the opportunity to play, each player must bring to the court the skills that he demonstrated in practice that earned the playing time. If play in the game does not match his success during practice, then he must rededicate himself on the practice court. This cycle can only lead to success for the team as well as the player. In club volleyball, there is no guaranteed court time for any player during a tournament, though it is hoped that there will be an opportunity for all players to gain some "on court" experience during the course of the season.

### **Overnight Traveling:**

1. If lodging is required, players will be housed together, usually 3-4 players in each room. Players will be responsible for room charges. The coaching staff assigns roommates (although this may be delegated to the team parent).
2. At least one male parent chaperone MUST be assigned to each team for all overnight trips. A mom may chaperone only if her husband is a chaperone also.
3. Players will be expected to attend all team activities, including but not limited to – team breakfasts, lunches, dinners, team meetings, and/or other team functions. Traveling players may have "free time" during which they are expected to request permission from their coach regarding their activities and destinations. Players must travel in groups of three or more, and for their own safety NEVER leave the group.

4. All teams will have a curfew when traveling. Curfew will vary depending upon the team age group. Unless changed by the coach 11:00pm will be curfew.
5. Players shall not allow anyone into their rooms, other than members of the Club. Members of the opposite sex are NOT allowed in the rooms. FRIENDS ARE NOT ALLOWED IN THE ROOMS.
6. If a player breaks a rule they may be subject to disciplinary action, suspension, or expulsion and may be sent home at the parent's expense.

### **Curfew:**

This means in your **OWN** room, lights off, TV off, radios & mp3 players off, in bed and **QUIET**.

### **Discipline:**

A form of corrective action deemed necessary to correct a team or individual problem. The athlete will be notified verbally what needs to be corrected, and be given a specific time to correct the deficiency. If an individual player fails to correct the deficient behavior or action within the specified time period, there may be further disciplinary action taken, suspension, or expulsion.

### **Expulsion:**

The individual shall be removed from Renegades Volleyball Club. This action may be for the remainder of the current season, or a specified number of years. Implementation of suspension or expulsion will also result in a conference with the parents. In the event of an expulsion there will be no refund of participation fees.

### **Drug, Alcohol & Tobacco Policy:**

Possession and/or use of drugs, alcohol, and tobacco are strictly prohibited at all Club activities. If a player is caught with drugs, alcohol, or tobacco he will be subject to expulsion.
